ERIC
I said, "yeah."

Drama stops, looks at him.

DRAMA
But you twitched. Classic no-
condom tell.

Eric is horrified and heads toward his car. Vince and Drama
pursue.

VINCE
You didn't wear a bag?

ERIC
I didn't have one. And she said
she was on the pill.

VINCE
Oh, E. Rookie mistake.

ERIC
I gotta go home and shower.

DRAMA
I'd pick up some Clorox if I were
you.

ERIC
First thing tomorrow, I'm calling
my doctor.

DRAMA
Guess we both need some good Irish
luck tomorrow.

Eric nods, heads to his car. Off Vince.

STEVIE

Stevie Ball. H.R. sent me up.
They said you were unhappy with
your assistant.

ARI

I've been unhappy with the last
three they've sent.

Awkward. Ari keeps moving. Stevie tries to keep up.

STEVIE

I got you a blueberry bran muffin
from the Bellwood Bakery. I was
told it's your favorite.

ARI

(surprised)

It is.

(looks in)

'Cept this isn't blueberry.

STEVIE

What?

ARI

It's cranberry. See the red
berries?

STEVIE

I asked for blue.

ARI

But you didn't check?

STEVIE

Uh -- no.

ARI

(tosses muffin)

Goodbye, Stevie.

STEVIE

Back to human resources?

ARI

No. Back to whatever Iowa
farmhouse breast fed you 'til
fifteen!

END

Kid's stunned. Ari heads to his desk. From behind.
