INT. MCCALLISTER'S OFFICES - CONFERENCE ROOM - DAY

Kitty at the conference table. Across from her sit three female MCCALLISTER EMPLOYEES, each nursing a cup of coffee.

MCCALLISTER EMPLOYEE #1

So, Kitty, tell us how you got interested in politics?

← START

KITTY

That's actually a funny story. My father, who was in the fruit business, was always a vocal supporter of workers' rights --

~~(host, snoring)~~

~~Uch. Snooze-a-roo. See, this is why I needed this. I can blubber on and on about policy, but the minute I have to talk about my own life..~~

MCCALLISTER EMPLOYEE #2

Just say you got into politics 'cause you thought Reagan was cute.

Kitty turns to see Robert has entered.

MCCALLISTER

What's going on here?

KITTY

Honey, hi. We were just doing a mock interview for "The View."

MCCALLISTER EMPLOYEE #1

I'm Barbara Walters.

MCCALLISTER

Of course you are.

KITTY

They're helping me prepare some funny personal anecdotes for when the hosts have questions.

MCCALLISTER

Well, I have one.

KITTY

Oh, great. Shoot.

MCCALLISTER

When am I going to see those talking points I asked for?
