Start →

PHIL

Hi, I just heard the announcement for Phil's birthday party?

SARAH

Oh, yeah. It's right around the corner. Have fun!

She hands him a paper cone hat and points him in the right direction. As Phil puts on his hat, he rounds the corner and freezes. He sees a large African-American family at a picnic table under a banner that says "Happy Birthday Phil!"

FAMILY

Happy birthday, Phil!

END

Phil has never been more confused. From behind him, he hears:

LITTLE PHIL (O.S.)

This is awesome!

A small African-American boy, also in a party hat, runs in as Phil gingerly removes his hat and tries not to attract attention.

23 INT. MITCHELL & CAMERON'S DUPLEX - DAY

23

Cameron is changing Lily when he hears a cell phone RING. He realizes the sound is coming from the baby monitor.

JAKE (V.O.)

Hello?... No, it's fine, I'm just putting the baby down...

CAMERON

(to Lily)

That's Jake. He's the one having an affair.

(off Lily's non-reaction)

I know.
